15 These organizations were known as 'State Guards,' organized for the protection of their respective counties. They Many of them were in service for nearly two years; and some of them for a longer period.

COLORED SOLDIERS IN THE UNITED STATES SERVICE ACCREDITED TO WEST VIRGINIA.

In the years of the Civil War, two hundred and twelve colored men were enlisted in West Virginia for service in the Federal Army, there being no organization of colored troops from the State, these enlisted men were assigned to the Forty-fifth Regiment United States Colored Troops, in which they were mustered to the credit of the State of West Virginia.

CHAPTER XI.

WEST VIRGINIA SOLDIERS IN THE CONFEDERATE STATES ARMY.

The Military History of the State of West Virginia has never been written; and no other American State experienced the conditions that existed within its boundaries during the Civil War. In many of the counties there was presented the remarkable scene of men enlisting, and companies forming, at the same time, some for the Federal service and others for the Confederate service. The inhabitants of the counties of Central Northwestern Virginia, those bordering on western Maryland and Pennsylvania, those in the Northern Panhandle, and thence stretching along the Ohio River to the mouth of Big Sandy River, were largely in favor of the maintenance of the Union; and it was in these that far the largest number of soldiers for the Federal Army were enlisted. In the counties of the upper New River region, in the Greenbrier Valley, the Valley of the South Branch of the Potomac, and in the lower Shenandoah Valley—now in the Eastern Panhandle—the majority of the people favored secession; and it was from these that far the greater number of West Virginians entered the Confederate service. This will be the more readily seen when it is stated that Mason County, on the Ohio, sent more than one thousand men to the Federal Army, and one company (61 men) to the Confederate Army; while Hampshire County, in the Valley of the South Branch of the Potomac, sent more than a thousand men to the Confederate Army, and but one company (73 men) to the Federal Army—largely from that part now embraced in Mineral

County. The Northern Panhandle sent thousands of men into the Federal Army, while from the Eastern Panhandle many hundreds entered the Confederate service.

In the preceeding chapter the regimental organization of the different arms of the service of the West Virginia soldiers in the Federal Army has been given. It is impossible to secure such accuracy of statement from data in hand, or ever to be obtained, relative to the Confederate Military organizations from this State. There were a part of a Company, a Company, or Companies from the counties of Barbour, Berkeley, Boone, Cabell, Calhoun, Clay, Fayette, Gilmer, Greenbrier, Hampshire, Hardy, Harrison, Jackson, Kanawha, Lewis, Marion, Mason, Mercer, Monongalia, Monroe, Morgan, Nicholas, Ohio, Pendleton, Pocahontas, Putnam, Raleigh, Randolph, Roane, Upshur, Wayne, and Wyoming.

WHAT NUMBER OF WEST VIRGINIANS WAS IN THE CONFEDERATE ARMY?

How many West Virginians served in the Confederate Army? No one now knows the exact number, nor will it ever be definitely known; but it may be approximated. There were twelve companies of West Virginians in the famous Stonewall Brigade; viz: four from Jefferson County; two from Berkeley County; two from Greenbrier County; one each from Hampshire, Hardy, Monroe and Ohio counties. The entire Twenty-second Regiment Virginia Infantry was composed of West Virginia Companies; nine companies of the Thirty-first Regiment Virginia Light Infantry were from West Virginia; as were six companies in the Thirty-sixth Regiment Virginia Infantry; while the remaining companies enumerated above were widely distributed for service in various other regimental organizations. It has been stated that more men from Mercer entered the Confederate Service than there were voters in that County. Judge James H. Miller in his "History of Summers County" gives a list of the names of two hundred men who were in the Confederate Army from the territory now embraced in Summers County; while H. T. Calhoun prepared for Morton's "History of Pendleton County," a list of names of more than seven hundred men from that county who served in the Confederate Army. In the spring and summer of 1865 Gen. John H. Ohley, with the Fifth

West Virginia Cavalry, stationed at Charleston, was in command of the Kanawha Military District, which included twenty counties, stretching from Jackson to Mercer, and from Pocahontas to Wayne; and at the close of his service here, August 1st, 1865, he reported to the Adjutant General of West Virginia that the officers of his command had parolled more than five thousand Confederates returning to counties within the said Kanawha Military District.

At the close of the war there was no Adjutant General's Office or War Department in which to deposit the rosters of these companies; but this Department is now in possession of original muster rolls, pay rolls, typewritten manuscript or printed rosters of a large number of the above mentioned companies; and it is believed that a conservative estimate of the number of West Virginians in the Confederate service would approximate seven thousand.

THE BLUE AND THE GREY OF WEST VIRGINIA.

At the close of the last chapter it was stated that the total number of enlistments of West Virginians in the Federal Army should be, in round numbers, placed at twenty-eight thousand. If, now, the total number of West Virginians in the Confederate service be placed at seven thousand, we should have a total of thirty-five thousand West Virginians rendering service in the two armies. The population of the State at that time was 360,000, 9 2-3 per cent. of which, was, therefore, enlisted men—evidently the highest per centage, according to population, of enlisted men of all the states of the Union.

It was likewise shown that of the whole number of West Virginians enlisted in the Federal Army, three thousand, two hundred and twenty-four lost their lives in battle or died from wounds, disease or accidental causes—11 3-7 per cent. of the total enlistments. And now, if we assume that the loss of life in the seven thousand West Virginians in the Confederate service was equal to this, as doubtless it was, we shall have as the total number of West Virginians who lost their lives in the Civil War, four thousand and twenty-four. Enormous loss! And all the greater when it is remembered that the average age of these four thousand men was twenty-one years.

CHAPTER XII.

WEST VIRGINIA SOLDIERS IN THE SPANISH-AMERICAN WAR.

The declaration of war by Congress was made against Spain, April 23, 1898; and immediately thereafter President McKinley called upon Governor George W. Atkinson for a regiment of Infantry, to be formed, so far as possible of drilled men of the National Guard. In compliance with this the Governor, on May 2nd ensuing, ordered the Brigade of our State, Brigadier General B. D. Spillman commanding, to mobilize at Kanawha City, on the south side of the Great Kanawha, about a mile above where the steel bridge spans that river, at Charleston, the capital of the State. There was a ready response to the order of the Commander-in-Chief, and in a few days the eighteen companies composing the two regiments of the Brigade were at the place of rendezvous, and had spread their tents at "Camp Lee."

THE FIRST REGIMENT WEST VIRGINIA INFANTRY.

Of the companies composing the two Regiments, six were designated to return to their homes. The First Regiment of West Virginia Volunteer Infantry was then formed of all the men of the remaining twelve companies physically fit, and willing to enlist; and its ranks were afterward filled to the required number from the names obtained by enlistment in different parts of the State. The Regimental organization was as follows: B. D. Spillman, Colonel; Clarence L. Smith, Lieutenant Colonel; W. H. Banks, Major; Philip A. Shafer, Major; H. Byron Baguley, Surgeon; Cassius C. Hogg, Ass't Surgeon; Charles T. Nesbitt, Ass't Surgeon; Rev. S. K. Arbuthnot, Chaplain. On May 20th the Governor caused a commission to issue to W. H. Lyons as a Major in this Regiment. On that day the Regiment left "Camp Lee" for Chickamauga, Tennessee, where it arrived in the dusk of evening the next day; and bivouacked on the great battle field. On the 18th it entered "Camp George A. Thomas." After some months spent here the Regiment moved to "Camp Poland" at Knoxville, East Tennessee. From here it proceeded to "Camp Conrad," at Columbus, Georgia, where it was mustered out of service February 7, 1899.

THE SECOND REGIMENT WEST VIRGINIA INFANTRY.

On May 25, 1898, the President of the United States requested Governor Atkinson to send forward a Second Regiment of Infantry. The Governor hastened to issue a call, and the companies hastily formed in various parts of the State, rendezvoused at "Camp Atkinson" on the north bank of the Great Kanawha, about half a mile below the mouth of Elk River, say about five squares above where the Kelly Axe Factory now stands. Here the Regiment was organized, the regimental officers being as follows, viz: D. T. E. Casteel, Colonel; O'Brien Moore, Lieutenant Colonel; Howard Atkinson, Major; Charles D. Elliott, Major; William F. Henshaw, Surgeon; Zadoc T. Kalbaugh, Assistant Surgeon; William F. Bailey, Assistant Surgeon; Rev. Albert S. Kelly, Chaplain. The companies were mustered into service by Captain J. M. Burns of the 17th U. S. Infantry; the first on June 25th, and the last on the 9th of July. The Regiment left "Camp Atkinson" and moved to Middletown, Pennsylvania, where it entered "Camp Meade." Here some months were spent, after which it removed to "Camp Wetherill at Greenville, South Carolina, where it was mustered out of service, March, 1899.

COMPANIES OF WEST VIRGINIA SOLDIERS IN OTHER REGIMENTAL ORGANIZATIONS.

In addition to the two Regiments mentioned above, four companies of West Virginians went to the field and served in other regimental organizations. They are as follows:—

Company "E," Fourth Regiment United States Volunteer Infantry, Captain W. H. Monroe; mustered into service at Parkersburg with sixty-four men.

Company "G", Fourth Regiment United States Volunteer Infantry, Captain Albert A. Franzheim, mustered into service at Wheeling, with eighty-two men.

Company "L", Eighth Regiment United States Colored Volunteer Infantry, Captain E. E. Hood, mustered into service at Charleston, with eighty men.

Company "M," Eighth Regiment United States Colored Volunteer Infantry, Captain William T. Bishop, mustered into service at Parkersburg with forty-eight men, a sufficient number of men

being enlisted and sent forward to raise the aggregate of this Company to the required number.

Thus it is seen that the total number of troops supplied by the State for service in the Spanish-American War was as follows:—

First Regiment West Virginia Volunteer Infantry	1,385
Second Regiment West Virginia Volunteer Infantry	1,322
Companies "E" and "G", Fourth United States Volunteer Infantry	152
Companies "L" and "M", Eighth United States Volunteer Infantry	145
A total of	3,004

West Virginia responded promptly to the calls made by the President, and the patriotism of her citizens is shown not only by the number of volunteers sent to the field, but by the fact that at the time the Adjutant General of the State received requests from two thousand additional men for service; and he expressed the opinion that had the President called for ten thousand men from the State, that number would have gone promptly to the field.
